Juryen sagde:

Projektet arbejder med elevernes motivation og handlekompetence og handler om elevernes læring, samtidig med at der arbejdes med at gøre lokalsamfundet bevidst om klimaspørgsmålet. Det er baseret på internationalt samarbejde og præsenteret på en måde, der kan inspirere andre skoler.

The jury said:

Nice project working with the pupil's motivation and action competence. The focus is on learning and the project reaches out to the local community as well. The project is based on international cooperation and it is presented in a manner to inspire other schools.
